THE WOMAN AND THE DRAGON

A great sign appeared in the sky, a woman clothed with the sun, with the moon under her feet, and on her head a crown of twelve stars. Because she was with child, she wailed aloud in pain as she labored to give birth. Then another sign appeared in the sky: it was a huge dragon, flaming red, with seven heads and ten horns; on his heads were seven diadems. His tail swept a third of the stars from the sky and hurled them down to the earth. Then the dragon stood before the woman about to give birth, ready to devour her child when it should be born. She gave birth to a son - a boy destined to shepherd all the nations with an iron rod. Her child was caught up to God and to his throne. The woman herself fled into the desert, where a special place had been prepared for her by God; there she was taken care of for twelve hundred and sixty days. Then war broke out in heaven; Michael and his angels battled against the dragon.

Revelation 12

Mary has been explaining the riddles in The Book of Revelation to Father Gobbi. The red dragon of the apocalypse is Marxist atheistic communism, made especially manifest in Russia this century. Through contemporary mystics we are told that the fall of communism has in no way put an end to the dragon's power. We are in the midst of a great mystical battle. All the demons have been loosed from hell. But we hold great hope in the prophecy that Mary's Immaculate Heart will triumph in the end. And we find peace in these turbulent times if we consecrate ourselves to Mary's Immaculate Heart - a devotion heaven first sent to us with the Fatima prophecies.

Mary is forming her cohort. Those consecrated to her Immaculate Heart she sends into battle armed with their rosaries and scapulars. Her special forces she asks to fast and do battle with the appetites of the flesh. We hope to chain satan in hell for 1,000 years with the fragile cord of the rosary. And we invoke the intercession of our guardian angels, and St. Michael as we head into battle.

ST. MICHAEL THE ARCHANGEL PRAYER

St. Michael the Archangel, prepare my heart to speak to God as I come to be with Him today. Open my eyes and heart to the Holy will of God that in all I do I will bring glory to the Father.

St. Michael the Archangel, prepare my mind to think and act as Jesus, that all that I contemplate and do resembles Christ.

St. Michael the Archangel, call upon the Holy Spirit to come into my soul that all that I do is sealed with the power and sanctity of God.

St. Michael the Archangel, walk with me when I am alone and carry me on your wings to the Immaculate Heart of Mary. Amen.

Russia will be converted. It will happen mystically through our humble submissive cooperation with the requests of our mother. It will come about through our prayers, sacrifices and especially our consecration to Mary's Immaculate Heart. Through this act she is allowed to dispense the graces which help convert our hearts and change our lives to the practice of virtue and the desire for holiness.

These are indeed mystical times, and never again will there be times such as these, dangerous times wherein Mary bids us take refuge in the ark of her Immaculate Heart, with the promise of peace, and the joyous consolation of helping her save so many poor souls. The photos printed herein show Mary's heart alive in the East, where her heart will triumph first, before the conversion of the West. We thrill with you to assist our Blessed Mother in this deep mystery of salvation which unfolds before us, as we yearn to cooperate in heaven's plan to prepare for the reign of Jesus' Sacred Heart.

"I desire to give to the world an inspiration from the love of my Immaculate Heart. The gift I desire to grant is one of profound conversion; of confidence; of evangelization; and unity of heart, mind, and soul. I wish to bestow the depth and breadth of my grace upon this image, that forevermore shall it contain this gift. Those souls who shall come to venerate this image shall receive the boundless graces of my Immaculate Heart. May they come with a pure heart and be given deep conversion and the fire of evangelization. Before this image may my armies be sent forth."
