Dear Matt and all our friends in QAMA,

Sorry for the delay in answering, because of the lack of access to the computer. We have been praying for you constantly and would like to inform that we received your monetary gift of 2500 dollars to the building of the church.

Thank you all very much and we believe it will serve the God's purpose. All together we are strong, performing the role and fulfilling the task entrusted on us. We hope that we will be able to co-work, despite of the distances between us. You are always welcome to come and see the sprouts our work produces. We are always happy to greet you and meet you at our church.

God bless you all,  
f. Dmytro
