Dear Matt:

I just wanted to write to you a few lines to thank you for the rosaries and icons that you gently sent me. They are a great help for our apostolate here and they will also be good to diffuse and to increase people's love to the Mother of God, Holy Maria.

With great pleasure I remember our meeting in Denver and I hope to meet once again, this time in Ukraine.

For the Christmas Eve, January 6th we will bless the new church that is next to our residence. I invite you to participate. I would appreciate very much your presence among us.

I say good by to you and send all your friends and collaborators my best regards.
Before Christmas I wish Your many successful and happy Christmas and happy New Year 2000.

Sincerely yours in Christ, with my blessing,

Irynej Bilyk, OSBM
